ADU PRE-APPROVED ELIGIBILITY FORM

Riverside has developed a new program called DWELL RIVERSIDE which expedites the Accessory Dwelling Unit (ADU) approval process. DWELL RIVERSIDE allows homeowners to select one of the city pre-approved detached ADU plans and then enter into an accelerated review. DWELL RIVERSIDE is only available for certain qualified single-family properties.

To determine if your property is eligible for the program, please complete, sign, and submit this form to the Planning Division. Planning staff will review and determine if the property is eligible to begin the process. The approval of this form does not guarantee eligibility. Please contact the Planning Division at (951)826-5800 with any questions.
